SUMMARY

25X1D

This installation is located on the east side of the Volga River, approximately 8 kilometers (km) southeast of the Volga River Dam (Figure 1). Covering approximately 40 acres, the installation has 9 buildings, 35-40 tent bases, and an unoccupied 8-gun antiaircraft site (Figures 2 and 3).

An analysis of the photography reveals no significant changes in the area and the level of activity appears constant. The best quality photography in [REDACTED] reveals the presence of 36 vehicles; the scale of the other missions precludes the observation of vehicles.
